

SHARED SERVICES AND STAFF

Code **LBA** Issued **6/04**

Purpose: To establish the board's vision for sharing services and staff with other centers.

When it is necessary to provide special educational programs that require the use of highly specialized personnel and/or equipment or because the incidence of need in the population is low, the board may enter into a cooperative agreement with neighboring centers to provide such services. The director will act as the board's agent in making such agreements.
